**COOKING INSTRUCTIONS:**

For best results, prepare from a fully- or semi- thawed state.

Immerse bags hot water (85°C / 185°F) in large stock pot or steam kettle. Simmer for about 35 mins (from thawed) or 50 mins (from frozen), stirring or shaking bags about every 5 minutes for uniform cook. When cooked to desired texture, knead bags to break up eggs and slit to serve.

Do not overcook. Eggs will continue to cook while being held.

**MENU IDEAS**
